Amazing Carbon Footprint Facts (Paperback)

By Michael Dutton

Dover Publications Inc., United States, 2010. Paperback. Book Condition: New. Green ed.. 272 x 202 mm. Language: English . Brand New Book. The bad news there s an island of plastic garbage in the Pacific Ocean that s twice the size of Texas, but every ton of recycled paper saves 17 trees! This earth-friendly coloring book presents astounding facts about consumption, waste, and recycling. It offers kids a realistic view of how their actions affect the planet, and it shows them what they can do reduce their carbon footprints.

Reviews

This type of publication is almost everything and taught me to hunting ahead plus more. It is writter in easy terms rather than difficult to understand. Your way of life period will likely be transform once you comprehensive looking at this ebook.
