By Deborah E Warr

Brand New Book ***** Print on Demand *****.This is a chilling story of ordinary people fighting for their physical, emotional and spiritual freedom. Every aspect of their enslavement might well have originated in current news headlines. Religious cults, experimental medicine, sexual manipulation and societal isolation are tools used to achieve domination over vulnerable souls. The conclusion, though, echoes from our distant past, reminding us that the apparent greatest good may conceal the worst evil and that, ultimately, the choice between them is intensely personal.
