Steeped in the customs and traditions of the Old World and ruled with an iron fist by a pious Prince, the Kindred of the city keep the sanctity of the Traditions at court and sate their desires amid the neon glare of Bourbon Street. From the stately manors of the Garden District to the seedy lanes of the French Quarter, New Orleans seethes with pent-up desire and whispered promises of power, revolution and revenge. City of the Damned: New Orleans presents the Big Easy in all its baroque glory, detailing the city's history, the laws and customs of its aristocratic court, and the intrigues of vampires both prominent and petty. A wealth of characters, plot hooks and Storytelling tips make this an invaluable resource for any Vampire: The Requiem chronicle. Hardcover.
