SYMBOL ICON: DIONYSIUS THE AREOPAGITE AND THE ICONOCLASTIC CRISIS (PAPERBACK)

Wipf Stock Publishers, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: This book contributes to the study of the notions of symbol and icon by examining two phenomena that greatly contributed to their development: the thought of Dionysius the Areopagite and the iconoclastic controversy. Different historical and philosophical-theological contexts are examined within the framework of the influence that Dionysius exerted on main protagonists in the controversy and the theology of icon. The reader will find a discussion of the main points of Dionysius doctrine, the features of the iconoclastic controversy, and an elaboration of the Areopagite s aesthetic and symbolic theory with special reference to the theology of icon. Throughout the work Ivanovic seeks to offer broad insight relevant to many different disciplines, such as theology, philosophy, history, and art. Dionysian theory of symbols and apophatic theology, his concepts of light, icon, and visible things as images of the invisible things were the basis of the further development of the Orthodox theology of the icon, which constitutes one of the fundamental values of Christian theology. The analysis offered in this book incites further study of the doctrinal dimension of Christian iconology, as well as of Christian and Neoplatonic mysticism, Byzantine aesthetics, and of theological and cultural studies. Endorsements: Filip Ivanovic s work represents a profoundly innovative contribution to the immense historiographical debate on Iconoclastic Crisis. He proposes that the construction of the Orthodox Icon doctrine is rooted in Pseudo-Dionysius s theological concepts and philosophical aesthetics, which gave a kind of Neo-Platonic support to Orthodox theologians argumentations, helping them to overcome the spirit/phenomena dualism by claiming the positivity of the material world, a key point of biblical and Christian cosmology and anthropology. --Enrico Morini Universita di Bologna...
