Number-one New York Times-bestselling author and master of the medical thriller Robin Cook returns with another heart-pounding story of medical intrigue. Cook can write up a storm and spin a taut tale.a master. - Kirkus Reviews With her young son s potentially fatal neuroblastoma in complete remission, New York City medical examiner Laurie Montgomery returns to work at the Office of Chief Medical Examiner, where she s been employed for more than two decades. Worried about whether she still has what it takes after so much time away, Laurie finds her first case back to be a dangerous puzzler of the highest order, involving organized crime and two start-up bio-tech companies caught in a zero-sum game. Against the advice of her colleagues and her husband, fellow medical examiner Jack Stapleton, Laurie is determined to solve the mystery the case comes to represent. Satoshi Machita, a former Kyoto University researcher, is set to own a valuable patent controlling pluripotent stem cells, which are destined to spark a trillion-dollar industry of regenerative medicine. When he dies on a...
