Brand New Book ***** Print on Demand *****.Why Ronald Fell Apart was an idea that popped into my head one morning while one of my young son s was screaming (at 6:30 in the morning) I WANT MORE CANDY!! Sayings like.candy will rot your teeth. you can t have candy for breakfast.you won t grow if you eat junk food.flew into my head. A little stick figure named Ronald came to mind and that is how Ronald the picky eater was born! Now Ronald is used as a tool to promote healthy nutrition and good eating habits with children. Ronald is used in schools and other organizations to try and teach children the importance of eating healthy at a young age --and beyond. It s never too soon to start teaching children that eating good food can be fun! This is my first children s book. I am a stay at home mom with a husband and three small BUSY children! I enjoy gardening, doing craft projects with my daughter, cooking and trying to get my family to eat healthy! I have a B.S. in Advertising and may further my education with a degree in nutrition. I have never taken on something like this before but now it has become my passion. I travel to schools and other organizations using Ronald as a tool to teach children healthy nutrition and good eating habits.
