Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sex can sometimes become well, boring is a strong word. But you may find yourself looking at the ceiling and getting distracted, waiting impatiently for the entire ordeal to come to an end. Some couples become so distracted that their minds mistakenly wonder off to an old or new flame, or even a celebrity crush. In the middle of sex, some lovers may think of their finances or other troubling circumstances. Sex is the number one, fundamental physiological need and experience of human existence. Therefore, each encounter ought to be enjoyable and memorable, and some more. In the realm of physiological needs, food, sleep and shelter follow sex in the distance - in that order. Yet, we say The Grace before settling down to a sumptuous meal, a Bedtime Prayer before going to sleep, and prayer for The American Dream for shelter, ignoring the importance of prayer before sex. While some middle-aged adults may pray for long life and wealth, others pray for security and good health. Young adults pray for happiness and joy. Teenagers pray for friends and family. Toddlers pray for toys and loving parents. A good number of us pray for a sex-mate. Some of us pray for fertility while others pray for healing from sickness. Have you ever prayed for a mind-blowing, memorable sexual intercourse? If not, this personal handbook is for you. It is a quick reference for every specific prayer before sex. Extra bonus prayer before sex while single, married, sick, tired, cheated on, or after a disagreement, are included. Also, learn how to take great care of your body before, during, and after sex in order to bounce right back and be...
