Book on the Path to God

By Bo Yin Ra

Sterling Publishers Pvt.Ltd. Paperback. Book Condition: new. BRAND NEW, Book on the Path to God, Bo Yin Ra, This book confirms, all atheists and sceptics notwithstanding, that faith in God is not the stubborn superstition of untutored or misguided minds, but the experience of an energy that reconnects the spiritual human being with the primordial Ground of Being that sustains all levels of existence. The God, however, whom enlightened faith has every reason to believe is not the mentally constructed phantom of theology full of contradictions, fraught with human flaws, unfeeling but omnipotent who created the ever-expanding universe in a few days, but a reality transcending intellect, philosophy and science, whose power human beings are capable of apprehending through experience. Once experienced, all "belief" is made irrelevant, and faith becomes united with its object. How that ultimate experience is attained in mortal life, the guidelines of "The Path to God" describe in terms that shed authentic light on life's profoundest mystery.
