Brand New Book ***** Print on Demand *****.Excerpt from A Text-Book of Elementary Foundry Practice: For the Use of Students in Colleges and Secondary Schools In offering this book to the public, the author would state that upon taking up the work of teaching foundry practice to boys in secondary schools, he was confronted with the great lack of literature on the subject, there being very little of an elementary character suitable for use as a text or a reference work. He has therefore tried to select matter - not too difficult for high school pupils and at the same time sufficiently advanced for the college student - such as will bring out the largest number of principles used in the molder s art; and he has endeavored to make everything so plain and practical that even without the direction of an instructor the student can put the patterns into the sand and achieve good results. The patterns chosen may be easily obtained; moreover, as each pattern brings out one or more distinct principles, a student who has completed this course ought to be...
