## THE GERMAN PREPOSITIONS, WITH THE CASES THEY GOVERN, EXEMPLIFIED IN 2, 500 USEFUL COLLOQUIAL PHRASES

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 92 pages. Original publisher: Carlisle, PA : Strategic Studies Institute, U. S. Army War College, 2007 OCLC Number: (OCoLC)83599509 Subject: Islamic fundamentalism -- Political aspects. Excerpt: . . . interview that the ultimate goal of his group is: a ) a Muslim super state limited to Southeast Asia; b ) a transnational caliphate encompassing the entire Muslim world; and or, c ) a world in which there will be no non-Muslims at all. With this sort of strategic flexibility - some would argue strategic incoherence - it is difficult, although not impossible, to explicate a rational strategy held by leading members of the important terror organizations. The widespread repetition of major themes and stated goals over time, actions taken that are within the parameters of and seemingly inspired by these political grand strategic claims, and the existence of similar ideas in all sorts of captured intelligence materials worldwide which have demonstrated clear communications and connections among the groups, all strongly suggest that, varied utopian goals notwithstanding, there is a coherent political grand strategy that can be understood as animating and loosely coordinating extreme Islamist terrorism of this type. This political grand strategy also is supported by a distinctive military grand strategy to attain the political goals. The extreme Islamists have been quite forthcoming in advocating those plans. But do they mean what they say Or are such ideas merely so much palaver to string along the gullible, as many Realists might argue An instructive lesson can be drawn from the study of the former Soviet Union following the Cold War and the partial opening of confidential files of the Union of Soviet Socialist Republics ( USSR ). Contrary to what revisionist Sovietologists and Realists would have predicted,...
