Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which I in fact changed me, changed the way I think.

Brand New Book ***** Print on Demand *****.To what genius fed on tears shall we some day owe that most touching of all elegies, -the tale of tortures borne silently by souls whose tender roots find stony ground in the domestic soil, whose earliest buds are torn apart by rancorous hands, whose flowers are touched by frost at the moment of their blossoming? What poet will sing the sorrows of the child whose lips must suck a bitter breast, whose smiles are checked by the cruel fire of a stern eye? The tale that tells of such poor hearts, oppressed by beings placed about them to promote the development of their natures, would contain the true history of my childhood.
