

OMG!: How Children See God (Paperback)

By Monica Parker

HEALTH COMMUNICATIONS, United States, 2015. Paperback.

New Book. OMG! is a magical window into how children view

God. Its humor is timeless and satisfying and rich with insight. It

s a book that speaks to people no matter who they are or where

they live especially given the state of our troubled world. It will

make them think, re-evaluate, and without a doubt, smile.

Parents know that kids ask amazing and often difficult questions

about God, faith, heaven, and that other place; sometimes their

thoughts are warm and sweet but other times they can be razor

sharp and invective. But the outrageous and engaging concepts

shared in OMG! are more than a way to deal humorously with

children when they express their particular unorthodox views,

they can open a difficult dialogue for families about the fanciful

thoughts and misconceptions that kids have about God and his

or her meaning in our lives. OMG! showcases the differences and

yet the similarities that kids of every economic, cultural and

religious background share. Funny, poignant and galvanizing

with deeply rooted sentiments that will never go out of fashion.
