Baker Publishing Group, United States, 2007. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. The problems men face today are not new; they have been around since the time of the Bible. Insensitivity, lust, individualism, absence, manipulation, unresolved anger--even a cursory study of Bible characters will expose all of these moral and emotional battles. Jeffrey E. Miller challenges men to acknowledge their common struggles and weaknesses to help them become better men. Developed from his featured Bible teaching series on, Occupational Hazards of Being a Man focuses on a different Old Testament personality with a unique problem in every chapter. Miller tackles these tough and pervasive issues to help men realize that these hazards are not unique to them, but that they are issues that all men face--and can overcome. This honest and freeing book is perfect for men s small groups, pastors, counselors, and individuals.
