He put what he said about each member of the family into a separate paragraph. How many paragraphs did he have? Why? The first line of each paragraph should begin two inches in from the left edge of the paper. Write your name at the close of your composition to the right, and the date of writing to the left. When you begin to write compositions you must remember all you have learned about writing sentences correctly, punctuation, the use of capital letters, etc. LESSON CXXVIII. Composition. In this little composition which follows, point out all that you have learned in the preceding lesson. Notice how straight the lines are and that the margins are neat: Paragraphing. 145 How many paragraphs are there in this composition which you have just studied? Why? LESSON CXXIX. Reproduction. You may now close your books and write the...
